LEAR appointment

Once your organisation has been validated, you must appoint a representative (LEAR) - typically someone involved in the organisation's central administration.

This LEAR (Legal Entity Appointed Representative) must be authorised to manage the legal and financial information about his/her organisation on the Participant Portal, and to manage access rights of persons in his/her organisation and to appoint representatives of his/her organisation to electronically sign grant agreements or financial statements via the Participant Portal.

Rights and responsibilities of the LEAR

Once appointed, the LEAR:

- is the only person who can provide updates to information about the organisation - via the Participant Portal
- can view and download all documents related to the organisation's legal and financial status
- grant other colleagues access to the organisation's online account as 'account administrators'
- has an overview of all the projects and proposals the organisation is involved in, and the role colleagues have in those projects
- can - indirectly via the Helpdesk - correct inaccurate information about who has which role
- can authorise people to sign grant agreements as 'legal signatories' (LSIGN) and to sign financial statements (Forms C) as 'financial signatories' (FSIGN)

LEAR ESTENSIONE MANDATO

Da: REA-URF-VALIDATION@ec.europa.eu [REA-URF-VALIDATION@ec.europa.eu]
Inviato: venerdì 21 febbraio 2014 15.17

Oggetto: LEAR nomination for H2020

Dear Madam, Dear Sir,

We are contacting you in your capacity as Legal Entity Appointed Representative (LEAR) for your organisation in the context of its participation in the 7th EU Research and Innovation Framework Programme (FP7). As you may know, the mandate of the LEAR has to be extended for the new EU research and innovation programme Horizon 2020. The introduction of fully electronic management of grants, including electronic signature of grant agreements and amendments, requires LEARs to reliably identify, in the electronic exchange system, persons in their organisation authorised to sign.

[The appointment of a LEAR will be necessary for any organisation for being able to sign the first Horizon 2020 grant. You as an existing FP7 LEAR can continue using your existing ECAS account and all access to data information related to FP7 is kept. However, before you get access in the electronic exchange system to the function for nominating the persons in your organisation authorised to sign grant agreements and amendments, the legal representative of your organisation must be appointed to the extended role and tasks of the LEAR. For doing this, the following documents, mentioning your PIC number- are required:

- the LEAR Appointment Letter, duly signed by the Legal Representative of your organisation
- the Roles and Duties document, duly signed by the Legal Representative of your organisation
- the Declaration of Consent (document) signed by the Legal Representative of your organisation
- the Electronic Exchange System (EES) User Agreement

For all three documents, you should send a hard copy to:
 Participant
<http://ec.europa.eu/research-grants-manual-lev>

and the following:

- Legal document authorising you to sign on behalf of the organisation.
- A copy of the proof of identity of the Legal Representative (ID card or passport)

All of the above has to be sent as hard copy, in one single envelope, by regular mail to:

European Commission
Research Executive Agency-Validation Services
 COV 2 - 13/132
 B-1049 Brussels
 Belgium

Please provide us with the aforementioned documents at your earliest convenience so as to anticipate your participation in Horizon 2020.

Kind regards,
 The Validation Services

PREPARAZIONE DEL GRANT

DEFINIZIONE PRE-FINANCING

DA CONCORDARE, NO REGOLE FISSE

PER PROGETTI ≥ 2 REPORTING PERIODS: GENERALMENTE IL 100% DEL CONTRIBUTO UE MEDIO PER PERIODO (eg. MAX EC CONTRIBUTION/n. REPORTING PERIODS)

DG CNECT specific situation in 2014

➤ Due to budgetary constraints DG CNECT can only offer a maximum of 33% for projects in 2014 calls

periods	Usual pre-financing	CNECT prefinancing for 2014 calls
2	50%	33%
3	33%	33%
4	25%	25%

- **Problem:** In a project with 2 reporting periods the advance payment will not cover the full first period, e.g. in a 3 year project with two periods of 18 months the 33% prefinancing will only cover the equivalent of 12 months
- **Solution:** CNECT Projects with 2 periods are informed in the invitation letter of the 33% prefinancing and given the choice to opt for 3 periods instead, in which case the 33% pre-financing covers the full first period, but more administrative efforts are needed due to the additional reporting period.
