DISTINGUISH YOURSELF IN THREE EASY STEPS

ORCID provides a persistent digital identifier that distinguishes you from every other researcher and, through integration in key research workflows such as manuscript and grant submission, supports automated linkages between you and your professional activities ensuring that your work is recognized. [Find out more.](#)

- 1 REGISTER** Get your unique ORCID identifier [Register now!](#)
Registration takes 30 seconds.
- 2 ADD YOUR INFO** Enhance your ORCID record with your professional information and link to your other identifiers (such as Scopus or ResearcherID or LinkedIn).
- 3 USE YOUR ORCID ID** Include your ORCID identifier on your Webpage, when you submit publications, apply for grants, and in any research workflow to ensure you get credit for your work.

MEMBERS MAKE ORCID POSSIBLE!

ORCID is a non-profit organization supported by a global community of organizational members, including research organizations, publishers, funders, professional associations, and other stakeholders in the research ecosystem.

Curious about who our members are? [See our complete list of member organizations](#)

Register for an ORCID iD

ORCID provides a persistent digital identifier that distinguishes you from every other researcher and, through integration in key research workflows such as manuscript and grant submission, supports automated linkages between you and your professional activities ensuring that your work is recognized.

As per ORCID's [terms and conditions](#), you may only register for an ORCID iD for yourself.

Riempire i campi. Vi invito a scegliere una password di almeno 8 caratteri di cui uno maiuscolo, uno numerico e uno speciale.

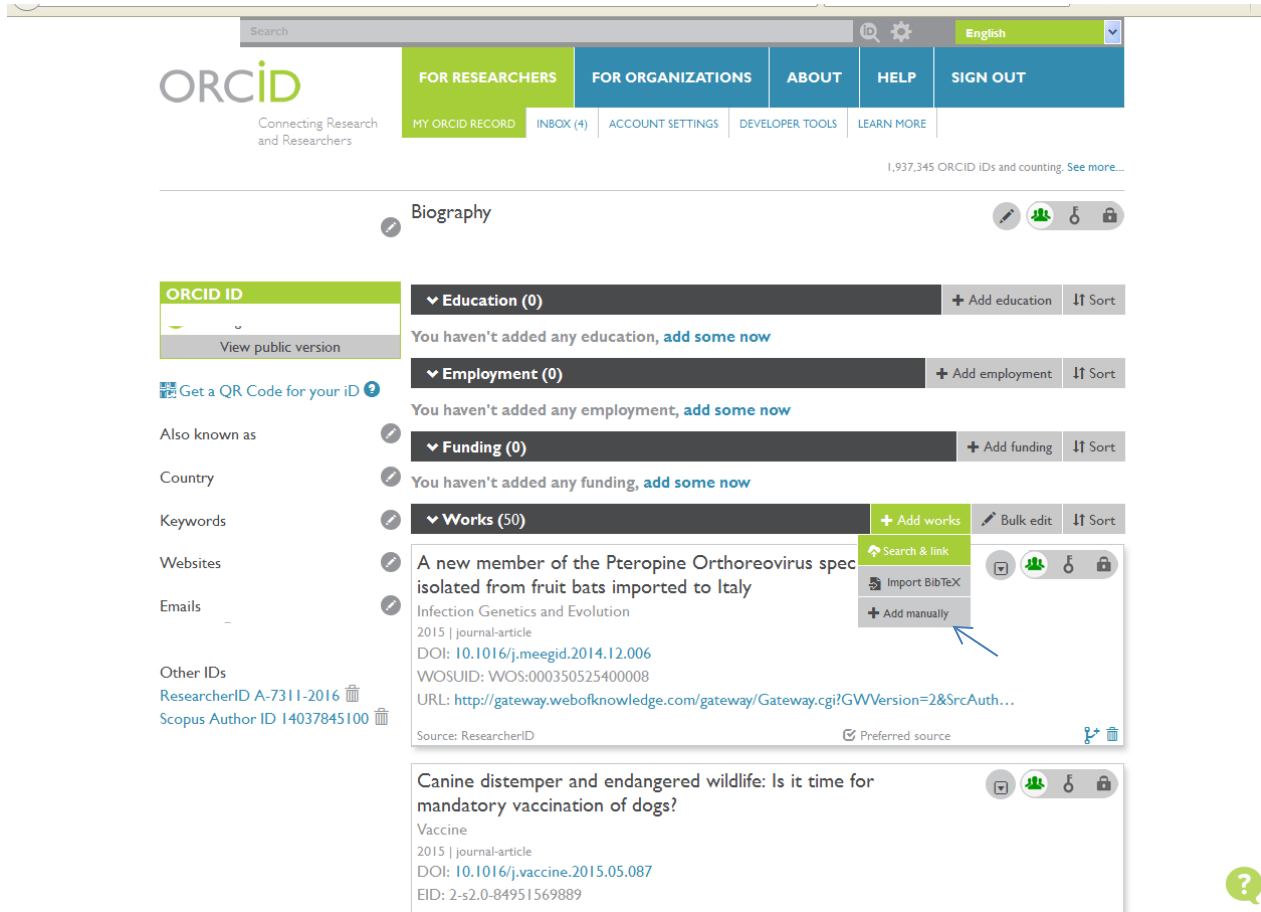

Caricare i dati

The screenshot shows the ORCID iD user interface. At the top, there is a search bar, a language dropdown set to 'English', and navigation tabs for 'FOR RESEARCHERS', 'FOR ORGANIZATIONS', 'ABOUT', 'HELP', and 'SIGN OUT'. Below these are sub-tabs for 'MY ORCID RECORD', 'INBOX (4)', 'ACCOUNT SETTINGS', 'DEVELOPER TOOLS', and 'LEARN MORE'. The main content area is titled 'Biography' and features a sidebar on the left with sections for 'ORCID ID', 'Get a QR Code for your iD', 'Also known as', 'Country', 'Keywords', 'Websites', 'Emails', and 'Other IDs'. The main content area lists several categories: 'Education (0)', 'Employment (0)', 'Funding (0)', and 'Works (50)'. The 'Works (50)' category is highlighted in green, and a blue arrow points to the '+ Add works' button. Other buttons include '+ Add education', '+ Add employment', '+ Add funding', 'Bulk edit', and 'Sort'.

Ci interessa principalmente la sezione **Works**. Per caricare i dati, utilizziamo una procedura manuale per i poster e le pubblicazioni non impattate, e una procedura «automatica», collegando il vostro account con i database di Elsevier e Web of science.

Aggiornare Orcid aggiungendo manualmente la citazione

The screenshot displays the ORCID.org user interface. At the top, there is a search bar and navigation tabs for 'FOR RESEARCHERS', 'FOR ORGANIZATIONS', 'ABOUT', 'HELP', and 'SIGN OUT'. Below the navigation, the user's profile is shown, including a biography section and various categories: Education (0), Employment (0), Funding (0), and Works (50). The 'Works' section is expanded, showing a list of publications. A dropdown menu is open over the first work, 'A new member of the Pteropine Orthoreovirus species isolated from fruit bats imported to Italy', with the 'Add manually' option highlighted by a blue arrow. The 'Add manually' option is located at the bottom of the dropdown menu, below 'Search & link' and 'Import BibTeX'. The 'Add manually' option is highlighted in green. The 'Add manually' option is located at the bottom of the dropdown menu, below 'Search & link' and 'Import BibTeX'. The 'Add manually' option is highlighted in green.

Una volta effettuato l'accesso al sito www.orcid.org, cliccare la voce **Add manually** all'interno della sezione **Add works**, come indicato dalla freccia blu.

Collegare ORCID a Elsevier

The screenshot displays the Elsevier ORCID linking interface. On the left, under 'Emails', the address 'a.lorusso@izs.it' is listed. Under 'Other IDs', 'ResearcherID A-7311-2016' and 'Scopus Author ID 14037845100' are shown. The main area on the right contains a list of linking options, each with a dropdown arrow:

- Airiti**: Enables user to import metadata from Airiti, including journal papers, proceedings, dissertations ...
- Australian National Data Service (ANDS) Registry**: Import your research datasets into ORCID from Australian National Data Service (ANDS) and R...
- CrossRef Metadata Search**: Import your publications from CrossRef's authoritative, publisher-supplied metadata on over 70 ...
- DataCite**: Enable the DataCite Search & Link and Auto-Update services. Search the DataCite Metadata Sto...
- Europe PubMed Central**: Europe PubMed Central (Europe PMC) offers this tool to enable you to link anything in Europe ...

- MLA International Bibliography**: Search the MLA International Bibliography for your works, including those published under varia...
- Redalyc**: Una plataforma que permite identificar tus trabajos publicados en revistas arbitradas de Acceso ...
- ResearcherID**: ResearcherID is a global, multi-disciplinary scholarly research community where members can r...
- Scopus to ORCID**: Import your Identifier, profile and publications. The wizard helps you find the correct Scopus pro...

A blue arrow points to the 'Scopus to ORCID' option. At the bottom of the interface, a snippet of a publication is visible: 'A new member of the Pteropine Orthoreovirus species'. To the right of this snippet are icons for a list, a group of people, a key, and a lock, along with a green question mark icon.

Cliccare la voce **Search and Link**, all'interno della sezione **Add works**. Selezionare la voce **Scopus to Orcid**. Verrà avviata una procedura automatica di riconoscimento che elencherà le pubblicazioni che il database di Elsevier vi attribuisce. Continuare la procedura per riversare i dati in ORCID.

Collegare ORCID a Web of science

The screenshot displays the ORCID 'Add works' interface. On the left, a sidebar lists the user's email (a.lorusso@izs.it) and other IDs (ResearcherID A-7311-2016 and Scopus Author ID 14037845100). The main area is titled 'ORCID works with our member organizations to make it easy to connect your ORCID ID and link to information in their records. Choose one of the link wizards to get started. [More information about linking works](#)'. Below this, a list of linking options is shown, each with a dropdown arrow: Airiti, Australian National Data Service (ANDS) Registry, CrossRef Metadata Search, DataCite, Europe PubMed Central, ISNI2ORCID search and link, MLA International Bibliography, Redalyc, ResearcherID, and Scopus to ORCID. A blue arrow points to the 'ResearcherID' option. At the bottom, a notification bar shows 'A new member of the Pteropine Orthoreovirus species' and a help icon (a green circle with a question mark).

Cliccare la voce **Search and Link**, all'interno della sezione **Add works**. Selezionare la voce **ResearcherID**.

Collegare ORCID a Web of science

The screenshot shows the Web of Science search interface. At the top, there is a navigation bar with links for Web of Science™, InCites™, Journal Citation Reports®, Essential Science Indicators™, and EndNote™. On the right side of the navigation bar, there are links for Sign In, Help, and English. Below the navigation bar, the Web of Science™ logo is displayed on the left, and the Thomson Reuters logo is on the right. A search bar is located in the center, with the text "Example: oil spill* mediterranean" entered. To the right of the search bar, there is a "Topic" dropdown menu and a "Search" button. Below the search bar, there are links for "+ Add Another Field" and "Reset Form". To the right of the search bar, there is a link for "Click here for tips to improve your search." Below the search bar, there is a "TIMESPAN" section with a radio button for "All years" and a dropdown menu for "All years". Below this, there is a radio button for "From" with a dropdown menu for "1990" and a dropdown menu for "to" with a dropdown menu for "2016". Below the "TIMESPAN" section, there is a link for "MORE SETTINGS". At the bottom of the page, there is a footer with links for "Customer Feedback & Support", "Additional Resources", "What's New in Web of Science?", and "Customize your Experience". At the very bottom, there is a blue banner with the text "Web of Science is the only place where you can get over 1 billion searchable, cited references." and a link for "Learn more."

Accedere a Biblisian in Autenticazione federata e selezionare il link a Web of science. Avviare la ricerca delle pubblicazioni inserendo cognome e iniziale del nome. Per agevolare la procedura è possibile inserire dei filtri. Il più comodo è «Address».

Collegare ORCID a Web of science

The screenshot shows the Web of Science search results page. At the top, there are navigation links for 'Web of Science', 'InCites', 'Journal Citation Reports', 'Essential Science Indicators', and 'EndNote'. The main header includes the 'WEB OF SCIENCE' logo and 'THOMSON REUTERS'. Below the header, there are tabs for 'Search', 'My Tools', 'Search History', and 'Marked List'. The search results are sorted by 'Publication Date -- newest to oldest' and are on page 1 of 1. The search criteria are 'AUTHOR: (dalla villa p) AND ADDRESS: (teramo)'. The results list five articles, with the first one, 'Development of a new welfare assessment protocol for practical application in long-term dog shelters', circled in blue. An arrow points to the 'Save to ResearcherID...' button for this article. The interface also includes a 'Refine Results' section on the left and 'Analyze Results' and 'Create Citation Report' options on the right.
